Gender analysis is an integral part of a human rights-based approach¹, allowing one to see the many ways that gender affects human rights As a starting point for gender integration, it can propose measures that will close the gender gap between international human rights standards and the everyday human rights situation on the ground

GENDER MAINSTREAMING Conceptual framework, ...

Gender equality must be constantly fought for, protected and promoted - like human rights, of which it is an integral part. Achieving gender equality is a continuous process that has to be constantly put into question, thought about and redefined. At present, the most important targets for gender equality include the following aspects:

Surrogacy Law And Human Rights

a human rights approach to surrogacy regulation consisting of an introduction and nine collected essays. This book is an important and valuable addition to the debate on rights, gender equality and the rights of children and intended parents. It reveals both the ways that surrogacy can protect and the argument here is that at the very least where
